

SALLY GAP RULES!

The Sally Gap Bluegrass Festival Committee (the Committee) expects everyone that attends to act in a responsible manner and to obey all local, state, and federal laws, thereby protecting the Festival and all in attendance. Please use your common sense and help us ensure that everyone in attendance has a safe and enjoyable time.

- Each individual on festival grounds (including the campgrounds) must have a current wristband on their person at all times.
- Respect the land, yourself, and others. Remember, this is a family event.
- Absolutely NO illegal substances will be tolerated at the festival.
- Keep all vehicles on the roads, except in designated parking areas. Speed limit is 5 mph.
- No cutting of trees—firewood will be available.
- Bring your own chairs.
- Keep pets on leashes at all times.
- NO pets in the stage area (except service animals).
- NO ATVs (except for handicapped individuals).
- Trash must be placed in a trash can or dumpster.
- Please do not throw cigarette butts on the ground.
- Any individual whose behavior is disruptive or a danger to other festival participants will be asked to leave. If the individual refuses to leave, he or she will be forcibly removed from the festival grounds.
- The Committee will not permit any person/organization to solicit and/or distribute information or goods; offer food, goods, or services for sale; or entertain at the Festival unless a completed application to participate in the event has been filed with, and approved by, the Committee. All fees are due at the time the application is submitted.
- Applications are accepted on a first-come, first-served basis. The Committee reserves the right to reject any application that is incomplete, any proposed activity that would disrupt other vendors or the peaceful assembly of the attendees, any proposed activity that could damage or injure persons or property, or any proposed activity that is deemed inappropriate for the event.
- The Committee reserves the right to have exhibitors or vendors remove unacceptable or inappropriate items and to relocate or dismiss any participant or selling activity.
- Approved vendors must abide by the rules listed herein, as well as other regulations stipulated in the vendor application packet.

SALLY GAP RULES! and the enforcement thereof are at the sole discretion of the Committee.
